

St Peter & St Paul's Arts Council

Our School Arts Council is a group of pupils from Year 3-6 nominated by staff in charge of Music, Dance, Drama and Art. These pupils have demonstrated commitment and leadership in their chosen art forms. They were elected to represent the views of all pupils and to improve the arts in our school. The Arts Council meets with Miss McGee (Art Subject leader) to discuss and implement ideas for expanding arts provision in the school. The Arts Council then feed back to the staff in charge of their area suggestions for improvement. Pupils take on leadership roles within the clubs and activities relevant to their skills, and provide support in planning and carrying out tasks.
