Headteacher – Mrs P Graham

Wednesday 25<sup>th</sup> November 2020

Dear Parents/Carers,

We have been notified of a positive case in school with a member of our staff. After following a detailed risk assessment with the Wirral LA and Public Health, I am confident that in this instance your child has not been in close contact with the case during the infectious period.

Children are expected in school as normal and we will continue with the school protective measures in place.

These are truly worrying times and we cannot thank you enough for your constant support. We must remain positive and hopeful, and we will get through this.

Take care and be safe  
With love and God's blessings

*P Graham*
