Headteacher – Mrs P Graham

Sunday 17th January 2021

Dear Parents / Carers,

I hope this letter finds you and your family safe and well. Already we are into week three of lockdown and school is certainly not the same without all the children. Everyone is working hard to ensure the best outcomes for the children and it is wonderful to see them settling so well into their new routines. For children working remotely, thank you for encouraging your child to log on to Google Classrooms each day to complete their lessons and learning tasks. The interactions between children and staff is lovely to see and we hope to continue building on the good practices for the benefit of the children.

Remote learning is undoubtedly challenging, even more so, if like me, you are not particularly technically minded. For some families, there will be the added pressures of supporting your child at home while working. All staff are in school, teaching the children in school and also those working remotely, so we understand how trying things are at the moment. Please do not stress. Support where you can and allow your child to access Google Classroom as independently as possible. The teachers will continue to guide and support your child during the day with their learning. Thankfully, the children are always a few steps ahead of us and take to this new learning approach very quickly.

Thank you for your positive feedback, it has been so encouraging and a real morale boost to us all at this difficult time. It is important that we continue working together to drive infection rates down. So thank you to the many families who have revised their need for child provision in school. A special thanks also to all our critical workers for their immense efforts and personal sacrifice.

Warmest Regards

P Graham
